

Bracknell Camera Club – League Entry Submission Uploader

You should use the 'Uploader' to submit your images for both the digital entries and the digital copy of print entries. The uploader will not allow you to submit entries less than 3 days before the competition.

If you are unable to do so then you may still submit images for both leagues via e-mail to entries@bracknell-camera-club.co.uk or on a USB key or CD. If you submit in this way then the entries must be handed in 1 week before the competition.

Please note that to date the uploader has been tested using Microsoft Internet Explorer and I do not know how it will behave in other internet browsers.

The Uploader can be found here:

www.Ren-Photography.co.uk/BCC/Uploader/Login.aspx

This will take you to the login page:
