Margaret Woods Trophy

1. This is an annual Projected Image competition open to all members on the subject of Nature. "Nature" is defined as follows. *[Adapted from the definition issued by the PSA; note that the Club does not currently call for the PSA's more restricted "Authentic Wildlife" definition].*

"Nature photography is restricted to the use of the photographic process to depict observations from all branches of natural history (except anthropology and archaeology) in such a fashion that a well-informed person will be able to identify the subject material and to certify as to its honest presentation

There must be no obvious signs that creatures are in captivity or that plants have been cultivated. Human elements shall not be present, except on the rare occasion where those human elements enhance the nature story. The presence of scientific bands, scientific tags or radio collars on wild animals is permissible.

Photographs of artificially produced hybrid plants or animals, mounted specimens, or obviously set arrangements, are ineligible, as is any form of manipulation that alters the truth of the photographic statement. No techniques that add to, relocate, replace, or remove pictorial elements except by cropping are permitted. Techniques that enhance the presentation of the photograph without changing the nature story or the pictorial content are permitted. All adjustments must appear natural."

2. Each member may enter a maximum of two Projected Digital Images, which must not have been entered in a previous Margaret Woods trophy event. Images entered for any other Club competition including the Annual Exhibition are welcome. Entries should bear titles to identify the entries, but these will NOT be read out in this competition.
3. Digital Images for projection must be submitted by midnight on the Friday preceding the competition using the Club's uploader. All entries must be supplied with a title, which will be displayed during the competition.
4. Judging will be undertaken by a show of hands by members attending the competition evening. To enable this to be done, the Committee will appoint two Adjudicators.
 - a. Judging will take place in three rounds. During the first two rounds members may vote for as many images as they wish, including their own. After each round half of the images will be eliminated. The purpose of these two rounds will be to select the images to go forward to the next stage. The exact manner in which this is done will be determined at the time by the Adjudicators.
 - b. A final round of voting will be for all remaining images, with members having **one** vote only and must NOT vote for their own image. This will determine the winner of the Margaret Woods Trophy. In the event of a tie, the photographs concerned will proceed to a further round of voting; with members again having **one** vote only. The runner up and 3rd place images will also be determined.
5. Printed images are not allowed in this competition.

Clive Harrison Trophy

1. This is an annual competition open to all members for a thematic panel of between three and eight images. The images should all share a common theme, tell a story or complement each other in some way when viewed together.
2. Each entrant may enter a single panel. A panel must consist of printed images.
3. Prints should be individually mounted, or alternatively prints may be submitted on a combined panel mount. Either way the mounts have no size restrictions. Each individually mounted print/combined panel must have the correct label affixed on the back of the mount.
4. Individually mounted prints will automatically be displayed as the full panel, unless the entrant requests that they are displayed one at a time until the full panel is on show. Entrants must make clear to the organisers what their wishes are at the outset. A printed hanging plan must be provided to assist the organisers, of the way the prints are to be arranged (maximum of three rows), aimed at avoiding misunderstanding over desired layout.
5. A digital version of the panel must have been uploaded at least 2 days prior to the competition.
6. A digital version of the panel together with the individual images for projection must be submitted by midnight on the Friday preceding the competition using the Club's uploader. All entries must be supplied with a title, which will be displayed during projection.
7. You are strongly encouraged to provide a written statement (100 words maximum) to say something about the purpose of the panel or what the images are about. It should add to the viewers' appreciation of the panel and not be just a description of the images. It may contain quotations (either verse or prose) provided that due acknowledgement is given. The statement will be read out when the panel is judged in the competition.
8. A title must be supplied for each panel and will be read out. Individually mounted prints should also be identified by a title on the mount label, but these will not be read out.
9. Images entered in any previous Clive Harrison panel competition are not eligible, but otherwise all images are permitted.
10. A judge will be appointed for the evening who will decide the best panel on the night and therefore the winner of the Clive Harrison Trophy for that year. Entries will not be awarded marks, but the judge will be asked to select first, second and third places. Highly Commended awards may be made if the judge feels this is merited.
11. Projected Digital images are not allowed in this competition.

The Chris Bradley Cup

1. The Chris Bradley Cup competition has two distinct parts: submitting a humorous image and then scoring and commenting on each other's image.
2. Images for this competition should not be the usual images that members would submit to our internal competitions that have judges from outside the Club.
3. The images should err more on the humorous side rather than being ones that might please (or even annoy) an external judge. They should be technically OK, but humour is the most important factor. The image should be accompanied with a title that reflects the humour in the image.
4. Digital Images for projection must be submitted using the Club's uploader by the date set by the competition organiser. All entries must be supplied with a title which will be read out and displayed at the competition evening.

Judging, Marking and Commenting

5. A list of all entries and a score sheet is sent to every entrant.
6. Entrants review all images and mark them out of 10 in half-mark steps. They can even mark their own image!
7. In addition, the entrant may make a humorous, but PC, comment about each image.

The Competition Evening

8. Each image is displayed in ascending order starting with the lowest scoring image. The score and any worthy comments read out. The winning image will be the one with the highest total score and the photographer is awarded the Chris Bradley Trophy.
9. Certificates are awarded for 2nd and 3rd places.
10. A special award is made by the organiser for the most humorous comment.
